

CIRCULAR FOR CLASS VI & NEW ADMISSIONS OF CLASSES VII & VIII

TIS/ VVI/ 2024-25/005

April 2024

ART PURSUIT & SKILL CLUB

Dear Parent,

"The future belongs to those who learn more skills and combine them in creative ways"

Robert Greene

At TIS, we continuously endeavor to simulate an environment that goes beyond conventional academic learning. One such initiative is the integration of Skill Education in classes VI to VIII through Skill Club activities. These activities are designed to encourage students to think, evaluate and apply what they have learned, thus gaining real-life skills.

We also incorporate Performing and Visual Arts in the form of Art Pursuit activities that are designed to enable students to explore and know their abilities.

Each student is required to opt for **ONE ART PURSUIT** and **ONE SKILL CLUB** activity. She/he will continue with the same Art Pursuit till grade VIII. However, the Skill Club activity is for the duration of one session i.e. 2024-25 only. The allotment of the activities will be done on the basis of her/his choice and availability of seats for that particular activity. In case any activity is oversubscribed, then the allotment will be done through draw of lots and then options looked at. The details are given below:

I. ART PURSUIT OPTIONS:

1. Theatre for VI & VII Skills for Life for VIII	4. Western Vocal Music
2. Public Speaking	5. Indian Vocal Music
3. Painting	6. Indian Classical Dance

II. SKILL CLUB OPTIONS:

The student can opt for ANY ONE club from either the school skill clubs or the paid club.

1. Handicrafts	7. Design Thinking	PAID CLUB 12. Quizzador (Quiz Club) 13. Astronomy (details overleaf)
2. Mask Making	8. Data Science	
3. Travel & Tourism	9. What to do when Doctor is not around	
4. Mass Media	10. Financial Literacy	
5. Culinary & Baking	11. Pottery	
6. Herbal Heritage		

Details of Paid Club option:

1. Astronomy Club–

Astronomy & Space Science are the most effective ways to inculcate a scientific temper. We are offering the Astronomy Club in collaboration with SPACE INDIA, a pioneer organization with a legacy of 23 years in developing Astronomy, Space Science and STEM education at grassroots levels and beyond. This year we are introducing a revised curriculum with new modules, upgraded learning tools and astronomy resource kit to practice more hands-on learning.

The program fee is inclusive of a kit having activity materials, a 50 mm Refractor telescope and an overnight visit to Jim Corbett.

- No. of sessions - 24
- Fee – INR12,000/- (non-refundable)
- Mode of Payment- Cheque in favour of 'SPACE TECHNOLOGY AND EDUCATION PVT LTD'

**Note: In case we do not get minimum 20 students for the paid club, we will not run it and your ward will be granted another available option.*

2. **QUIZZADOR (Quiz Club)** –

Mr. Arindam Bhattacharya, an accomplished quiz master, will be leading the Quiz Club. Physical classes will be conducted on the school campus, three consecutive working days a month, for one hour per day, starting from 8:00 a.m. to 9:00 a.m. Follow-up online sessions will be scheduled every 15 days, during holidays and interim months (June, September, October and January).

To ensure the dedication and commitment of our QUIZZADOR members, a nominal fee of ₹500/- per month will be charged. This fee should be paid in cash to the Quiz Club In-charge, Ms. Niela Hariharan, at the beginning of each month.

Please send the duly filled Choice Form, along with the cash/cheque (in case opting for the paid club), to the class teacher latest by **Monday, 08 April 2024**.

Isha Sood
Sr School Headmistress
