CIRCULAR FOR CLASSES VI TO IX

TIS/ VV/ 2024-25/008

April 2024

ARTIFICIAL INTELLIGENCE

Dear Parent,

In sync with the larger goal of enabling and empowering the next generation with AI skills, Artificial Intelligence has been integrated in classes VI to IX as a skill subject since session 2023-24. The syllabus is designed to provide the students with fundamental knowledge about AI, Robotics and Internet of Things (IOT).

A nominal fee of ₹ 200/- will be charged for this skill subject and will be reflected in the monthly fee bill. We are moving towards making our next generation 'AI ready'.

Isha Sood
Senior School Headmistress
