RODCAST: THE RADIO CLUB

Dear Parents,

At TIS, we strive to keep our students abreast with the changing times and expose them to various skills that are essential for their personal and professional development. One such skill that we are excited to introduce is the art of audio storytelling and broadcasting through our newest club - RODcast: The Radio Club.

RODcast is tailored for students in classes IX to XI who have a passion for broadcasting and storytelling. RODcast, standing for Radio On Demand, embodies the fusion of traditional radio broadcasting with modern convenience and accessibility of on-demand digital content, known as podcasts.

Mr. Shirshendu Banerjee, Founder & Director of Soundboard Media Private Limited, will be leading the training sessions for RODcast members. A nominal fee of ₹500/- per month will be charged. This fee will cover the expenses associated with training materials and resources. The club fee will be paid in cash to the Club In-charge, Ms. Loveleen Chugh, at the beginning of each month.

If you would like your ward to participate in RODcast, please fill the enclosed consent slip and send it along with the club fee by Friday, 12 April 2024.
