April 2024

Dear Parents,

Please join us for a special session dedicated to understanding puberty and the changes your children experience during this crucial time. We'll explore topics like Comprehensive Sexuality Education (CSE), adolescent psychology, and the transformations occurring between ages 11 to 13.

Our goal is to foster open communication within families by examining personal attitudes toward discussing puberty with preteens. We'll share practical strategies for handling challenging questions and introducing age-appropriate topics sensitively.

By attending, you'll gain valuable insights and tools to support your child through this phase of growth. Your active participation will be highly appreciated.

The session is scheduled for Saturday, 04 May 2024 from 9:00 a.m. to 10:30 a.m. in the school Auditorium.

Please Note : Session is ONLY for parents.

We look forward to seeing you there!

Isha Sood  
Sr. School Headmistress
