HOLIDAY HOMEWORK (2024-25)
NURSERY**

Dear Parent,

Summers are here in all its glory and if summers are here, holidays can't be too far behind. It's time to enjoy your vacations with family and friends, it is also time for your ward to learn new skills and have new experiences.

Zootopia movie will help your ward imbibe important life values such as never to give up and be helpful. Watch it with your ward and enjoy.

We have a few suggestions to make these holidays fruitful. The activities that follow are based on the characters of the movie.

1. Allow your child to be independent. The following life skills activities are recommended for the same.
 - Let the child learn to button her/his shirt.
 - Put her/his toys and things in the proper place.
 - Water the plants.
 - Put water out for birds.
 - Learn to dance or sing new songs.

2. Eat at least one meal together with your child every day.
3. Encourage your child to scribble on a slate every day.
4. Children love listening to stories. Read stories aloud to your child regularly. Help and encourage her/him to talk about the pictures given in it.
