

**TAGORE INTERNATIONAL SCHOOL**  
**VASANT VIHAR, NEW DELHI-57**

**CIRCULAR FOR CLASSES XI AND XII (ONLY BIOLOGY STREAM STUDENTS)**

TIS/ VV/ 2024-25/041

July 2024

Dear Parents,

It is our constant endeavour to provide our students with a first-hand learning experience that can complement what they learn in the classroom. The upcoming visit to the Indian Council of Agricultural Research Exhibition at National Agriculture Science Centre not only serves as a unique opportunity to explore the cutting-edge technologies related to agriculture but also augments the understanding of the subjects covered in the curriculum. Biology students of grade XI & XII will be going on Monday, 15 July 2024 within school hours. Please take note of the following instructions for the visit:

1. Students should be in school uniform (no P.E. uniform) with school shoes.
2. Each student must carry their school I-card, a notepad and a pen.
3. They should report to school in the morning at their regular time.

The visit will be organized within school hours. Please submit the duly filled consent form to the class teacher on Friday, 12 July 2024.

Isha Sood

Sr. School Headmistress
