CIRCULAR FOR CLASS NURSERY

TIS/ VV/ 2024-25/043

July 2024

Dear Parent,

Effective communication is essential for a child's development, helping her/him express her/his thoughts and emotions clearly. We believe this foundation benefits the academic and social growth of a child. To enhance the communication skills and confidence of our students, we are commencing with the 'I Speak' activity. This activity will be conducted every Friday, starting from 26 July 2024.

The students should come prepared to speak 3-4 sentences on any object / picture which they will carry with them on that day. We seek your cooperation in maintaining the regularity of this activity.

Shruti Sharma
Jr. School Headmistress
