Dear Parent

Reading, writing and correct spellings are the hallmarks of effective communication skills. In our constant endeavor to equip students with the ability to learn and write better, we are participating in India Spelling Bee, this year as well. The India Spelling Bee (ISB) is India's National Level Spelling Competition for school students. ISB registration for 2024-25 is now open for our school students.

**Important details for students**

- India Spelling Bee (Mock test and the School Level Exam) will be held in online mode.
  - Participation is optional.
  - There is only a one-time participation fee of a sum of INR.175.00 to be paid online, using the link embedded in the registration form. This fee includes ISB guidebook PDF with words, exercises and sample paper, school level tests, certificates, 4 mock tests, weekly tests etc at no extra charges.
  - An additional amount of INR. 45.00 is to be paid, in case a hard copy of the guide book is needed by any student. There is **no separate participation fee for the regional or national level exam, in case a student qualifies for it.**
  - The participants will receive a soft copy of the Guide Book in PDF form and sample question papers.
  - Every student will get a certificate of participation.
  - Students will take four mock tests before the School Level Exam, to get familiar with the online format.
  - Exam duration : 20 minutes. There is no negative marking.
- The dates for the Mock tests:
  - Mock test 1 : Sunday, 03 August 2024
  - Mock test 2 : Sunday, 07 September 2024
