

TAGORE INTERNATIONAL SCHOOL
VASANT VIHAR, NEW DELHI-57
CIRCULAR FOR CLASSES IX TO XII

TIS/ VV/ 2024-25/051

August 2024

Dear Parents,

We are pleased to inform you about an upcoming online psychometric test scheduled for **Thursday, 15 August 2024**. This test is designed to provide valuable insights into your child's cognitive abilities, personality traits, and learning preferences. The result will be discussed in detail by holding an individual counselling session for every child and parent.

How can this test be helpful?

1. It helps identify your child's strengths and areas for improvement, enabling tailored educational support.
2. It provides a comprehensive overview of their psychological profile, which can be instrumental in guiding their future career choices.

To register your child for the test, please use the following link: <https://rzp.io//NjdipHT9>

We encourage all parents to take advantage of this opportunity to gain a deeper understanding of their child's unique abilities and potential. For more information, you can refer to the details mentioned in the attachment.

Seema Prabhakar
Vice Principal

Attachment: Details of Aptitude test

CAREER GUIDANCE AND THE WAY FORWARD

“Appropriate guidance at the right time of the development stage ensures higher levels of emotional and cognitive regulation that are necessary not only for wellbeing, decision making and lowering stress, but also leads to increased academic and career success”.
(DNEP 2020)

A new perspective towards social emotional learning, the world of work, careers and jobs, education and employability, an understanding of the NEP, the changes in the education system will help our children face the challenges and find success. Career Guidance Program and Psychometric Testing helps students make ‘informed choices.’

‘EXPLORE’- CAREER GUIDANCE PROGRAM AND PSYCHOMETRIC TESTING

Objectives of the program:

- To make parents and students aware about the world of ‘work’ and ‘careers’
- To sensitize students about importance of self discipline in academics
- To help them realize the importance of career guidance and planning
- To help them understand the importance of setting Educational and Career goals
- To provide an overview of common careers in different streams and scope
- To introduce them to goal setting and the importance of working the plan
- To build a perspective on the changing system of education and the NEP
- Analysis of aptitude and interest through Psychometric Testing and provide options to help make the correct choice
- To provide opportunity for ‘One to One counseling sessions’ to students and parents to address to above issues

PROGRAM SCHEDULE:

PSYCHOMETRIC TEST OF APTITUDE AND INTEREST FOR SUBJECT AND CAREER CHOICE	ONE TO ONE COUNSELING SESSION WITH STUDENTS AND PARENTS
Instructions will be sent through mail to each student.	30 minutes counseling slot allotted to each student. All queries related to study related issues and subject choices will be addressed.
Date of Test: 15th August 2024	Date: Will be informed after the test
Mode: Online	Counseling slot: Will be allotted and students will be informed. Soft copy of the Psychometric test will be mailed.
Students can take the test on the scheduled date anytime between 10 AM and 10 PM. No syllabus, no prep required.	Parents are requested to accompany the students for the counseling session as per the slot allotted

Be a part of your child's success story!
