CIRCULAR FOR CLASSES III TO XII

TIS/ VV/ 2024-25/053

August 2024

Dear Parent

We are thrilled to announce an upcoming educational trip for our XII class students (History and Painting). The trip will be to the prestigious National Museum, offering a unique opportunity for students to enhance their learning experience beyond the classroom.

- Day and Date : Friday, 16 August 2024 within School Hours.

This visit aims to provide our students with a deeper understanding of historical artifacts and art collections, enriching their knowledge and appreciation of both subjects. The museum's exhibits will allow students to connect theoretical knowledge with real-world examples, making their learning experience more immersive and engaging. Students will have the chance to explore various galleries, participate in guided tours, and engage in interactive sessions. This trip will not only broaden their educational horizons but also inspire their creative and analytical skills. We believe this trip will be an invaluable experience for our students, and we look forward to their enthusiastic participation.
