CIRCULAR FOR CLASSES VI TO XII

TIS/ VV/ 2024-25/086   October 2024

Dear Parent,

Kindly note that an intimation has been received from Govt of NCT of Delhi, Office of the Deputy Directorate of Education has introduced APAAR ID (Automated Permanent Academic Account Registry ID's) to track the educational progress and achievements of students. A unique ID will be created for each student, which will help to achieve the objectives of "One Nation". APAAR ID will be a gateway for accessing the Digilocker system that will allow students to digitally store and access all their co-curricular and curricular achievements of students, be it Olympiads, Sports, Skill training or any other field. Students can use these documents for their higher education or employment purposes in future.

In this endeavour, MoE will generate APAAR ID (Automated Permanent Academic Account Registry ID's) based on Aadhaar Number of each student for which <u>consent of the parents is required.</u> Implementation of APAAR will be a cornerstone initiative towards achieving the goals envisioned under New Educational Policy 2020 and would be a "game-changer".

In view of the above you are requested to give your consent along with a copy of aadhaar card of your ward to the class teacher latest by <u>Saturday, 26 October 2024 at the PTM</u>. The hardcopy of the consent form has been shared with your ward.

RELEVANCE OF APAAR ID FOR STUDENTS, PARENTS AND SCHOOLS

- ✓ APAAR lD will be unique in nature and will work as 'One Nation, One Student ID' giving identity to students for all educational purposes and will be easy for transfer of students from one school to other school/state etc.
- ✓ It will empower students with their own ID.
- ✓ This unique ID will be lifelong and help in accessing the educational resources too.
- ✓ APAAR ID will be useful for tracking educational progress and achievements of students.
- ✓ APAAR ID will be useful for monitoring the dropout students and mainstreaming them.
- ✓ APAAR lD will be a gateway for accessing DigiLocker ecosystem which will digitally store all achievements of students like exam results, holistic report card, health card, learning outcomes besides other achievements of students be it Olympiads, Sports, Skill training or any other field.
- ✓ Students can use these for their higher education or employment purpose in future.
- ✓ APAAR ID can also be used for multiple use e.g., Entrance tests conducted by NTA, admissions, scholarship disbursement, transfer of government benefits, issue of awards, recognition etc for students, teachers and other users.
