

**CIRCULAR FOR CLASS VI & NEW ADMISSIONS OF CLASSES VII & VIII**

TIS/ VV/ 2025-26/001

April 2025

**ART PURSUIT & SKILL CLUB**

Dear Parent,

At TIS, we are committed to fostering a holistic learning environment that transcends academics. To achieve this, we have integrated skill education into our curriculum for students in grades VI- VIII through innovative skill clubs and art pursuit activities.

Each student is required to opt for **ONE ART PURSUIT** and **ONE SKILL CLUB** activity. She/he will continue with the same Art Pursuit till grade VIII. However, the Skill Club activity is for the duration of one session i.e. 2025-26 only. The allotment of the activities will be done on the basis of her/his choice and availability of seats for that particular activity. In case any activity is oversubscribed, then the allotment will be done through draw of lots and then options looked at. The details are given below:

**I. ART PURSUIT OPTIONS:**

The student has to choose ANY ONE activity from the options mentioned below:

1.Theatre for VI & VII Skills for Life for VIII	4. Western Music
2. Public Speaking	5. Indian Vocal Music
3. Painting	6. Indian Classical Dance

**II. SKILL CLUB OPTIONS:**

The student has to choose ANY ONE club from the options mentioned below:

1. Handicrafts	10. Financial Literacy	<b>PAID CLUB</b> 19. Astronomy (details overleaf)
2. Mask Making	11. Pottery	
3.Travel & Tourism	12. Japanese Language	
4.Mass Media	13. Quiebator (Quiz Club)	
5. Culinary & Baking	14. AWAAM (Nukkad Natak)	
6.Herbal Heritage	15. Entrepreneurship	
7.Design Thinking	16. Western Music	
8. Data Science	17. Indian Music	
9.What to do when Doctor is not around	18. Indian Dance	

**Details of Paid Club option:**

1. **Astronomy Club** –

Astronomy & Space Science are the most effective ways to inculcate a scientific temper. We are offering the Astronomy Club in collaboration with SPACE INDIA, a pioneer organization with a legacy of 23 years in developing Astronomy, Space Science and STEM education at grassroots levels and beyond. This year we are introducing a revised curriculum with new modules, upgraded learning tools and astronomy resource kit to practice more hands-on learning.

The program fee is inclusive of a kit having activity materials, a 50 mm refractor telescope and an overnight trip to Astroport (Sariska/ Jim Corbett)

- No. of sessions - 22 sessions
- Fee - ₹13,000/-
- Mode of Payment - Cheque in favour of 'SPACE TECHNOLOGY AND EDUCATION PVT LTD'

\*Note: If we do not receive a minimum of 20 students for the Astronomy Club, it will not be conducted, and your ward will be offered an alternative open option.

Please send the duly filled choice form, along with the cash / cheque (in case opting for the paid club), to the class teacher latest by **Monday, 07 April 2025**.

Ms.Jyotika Jakhar  
Principal
