February 2026

Dear Parent,

We are pleased to inform you that, as part of our continued efforts to enhance student comfort and safety, the school transport system will undergo a significant upgrade from the upcoming academic session.

**1. Introduction of AC Buses**

- All private buses attached to the school will operate as air-conditioned (AC) buses from the new academic session ( **Routes : 4, 5, 6 15, 17, 19 & 21**)
- In addition, two of the school's own buses (**Routes 9 & 16**) will also operate as AC buses in the new session.
- The remaining school buses will be progressively replaced with AC buses, as and when existing buses are phased out.

**2. Revision of Bus Charges**

- With the introduction of AC facilities, the bus charges for AC buses will increase by 15%.
- This increase includes the annual routine hike as well as the AC charges. No additional increase will be levied beyond this.

We request your cooperation in sharing your consent for the same to enable smooth planning of transport arrangements by **Thursday, 05 February 2026** to the respective bus route teacher in charge.

Ms. Jyotika Jakhar  
Principal

February 2026

I \_\_\_\_\_, father/mother of \_\_\_\_\_, studying in class \_\_\_\_\_, am aware of the proposed hike in bus fee due to the upgradation to Air Conditioned buses.

- a) I will continue with the school bus service in the new session  (for parents currently availing the school bus service)  
b) I will not continue with the school bus service in the new session  (for parents currently availing the school bus service)  
c) I will opt for the school bus service for the new session.  (for those not availing the school bus service currently)

Please note that the availability of seats will be on a **first-come, first served basis**.
