February 2026

Dear Parents,

We are delighted to invite you to our Creative & Performing Arts Festival – **Sanchayan 2025-26**, a celebration that reflects the powerful theme **I am the change that I wish to see**. This meaningful event aims to showcase how dance, music, and theatre inspire students to become thoughtful, responsible, and positive change makers.

Through expressive performances, our students will bring alive stories of self-belief, empathy, courage, and transformation, highlighting the idea that change begins within each one of us. The festival is a reflection of our commitment to nurturing creativity while instilling strong values and social awareness in our learners.

We warmly invite you to be a part of this inspiring journey of art and expression on **Thursday, 19 February 2026**, in the school auditorium, as per the schedule below:

- **Class I** : 9:00 AM to 10:20 AM
- **Class II** : 11:00 AM to 12:20 PM

We look forward to your presence and support as our students take the stage to express their voices and remind us all that *they are the change that they wish to see*.
