March 2026

**CIRCULAR FOR CLASSES X - XII**

**SUMMER INTERNSHIP 2026**

Dear Parents,

At Tagore International School, we believe that meaningful education extends beyond the classroom. To bridge the gap between theory and practice, we organize internship programs for students of Classes X - XII during the summer break each year.

Real-world exposure gives students an understanding of which careers and subjects are best suited for their interests and talents. Further, work experience allows students to develop the professional skills, confidence and leadership abilities that give them a cutting edge over others.

**Program Details**

**Fields:** Internships are available in law, finance, hospitality, medicine, performing arts, international relations, NGO's, architecture, technology, fashion and many other fields.

Kindly click on the link below for details of internships available:
