Dear Parent,

In Middle School (Classes VI–VIII), every student is required to study three languages. The selection of the third language is to be made in Class VI.

**Language Structure:**

- **English** is the first language for all students.
- **Hindi** is compulsory as the second language for Indian nationals. (Students of other nationalities are exempt from studying Hindi.)
- All students must opt for a **third language** from the following options: **French / Sanskrit / Spanish**
- Students must select **one** language and continue with the same until Class VIII. No change will be permitted thereafter.
- Passing the Final Examination in the third language is mandatory for promotion to Class IX.

**To opt for French or Spanish in Middle School, students must secure a minimum grade of B1 in each skill area of English in both terms of Class V (excluding attendance).**

The final decision regarding language allocation will rest with the **English Teacher and the Principal**.

You are requested to complete the acknowledgement slip given below and submit the signed copy to the Class Teacher no later than **Thursday, 16 April 2026**.
