CIRCULAR FOR CLASSES I TO V

TIS/ VV/ 2026-27/015

April 2026

Dear Parent,

At Tagore, we firmly believe that happy students learn better. To enhance the happiness quotient of our young learners, we are delighted to introduce 'Bagless Wednesdays' for students of Classes I to V. Starting Wednesday, 15 April 2026, every Wednesday will be observed as a Bagless Day. On these days, students will not be required to bring notebooks, textbooks, or any academic materials. They should carry only their tiffin, pencil box, school almanac, and water bottle.

This initiative aims to promote joyful learning through meaningful peer interaction and creative exploration—key elements for healthy cognitive development and emotional well-being. Activities such as circle time, storytelling, podcast creation, hands-on science experiments, games, puzzles, craftwork, dance and movement sessions, and more will be thoughtfully incorporated to make these days enriching and enjoyable.

We look forward to your wholehearted support in nurturing a learning environment that strikes a healthy balance between academic progress and overall well-being.

Ms. Jyotika Jakhar
Principal
