

TAGORE INTERNATIONAL SCHOOL
VASANT VIHAR, NEW DELHI-57
CIRCULAR FOR CLASS XI

TIS/ VV/ 2026-27/037

July 2026

Dear Parents,

As your ward prepares for undergraduate admissions in India or abroad after Class XII, it is important to understand the academic and profile-building requirements involved. Please take note of the following:

1. **Letters of Recommendation (LORs):**

Many reputed Indian and international universities require Letters of Recommendation from the Principal or teachers of the school last attended.

2. **Content of LORs:**

LORs highlight a student's academic performance, co-curricular participation, individual achievements and contributions to social causes. They play an important role in the university selection process.

3. **Building a Strong Portfolio:**

Students must work consistently towards building a well-rounded profile through academic performance, co-curricular participation and community service.

4. **Eligibility for LORs:**

The school will issue Letters of Recommendation only to students who secure **75% or above in the Class XI Final Assessment**, as most leading Indian and international universities do not accept applications from students scoring below this benchmark.

5. **Predicted Scores:**

Predicted academic scores required by universities will be based entirely on the Class XI Final Assessment. Students must therefore approach their studies with seriousness and dedication.

We seek your support in encouraging your ward to remain focused and committed during this important phase of her/his academic journey.

Dr.Jyotika Jakhar
Principal
