TIS/ VV/ 2026-27/038

July 2026

Dear Parents,

We wish to draw your attention to an important matter concerning the morning school drop-off routine. Since the school is located in a residential neighbourhood, we have received concerns from local residents regarding excessive honking during the drop-off hours, between **7:45 a.m. and 8:00 a.m.**

To maintain a peaceful and respectful environment for our neighbours and the school community, we request all parents to strictly **refrain from honking while arriving at or departing** from the school premises. Your cooperation in observing this simple yet important courtesy will help foster goodwill and harmony within the neighbourhood.

Furthermore, to facilitate the smooth movement of vehicles and prevent congestion outside the school, parents are requested to follow the traffic advisory outlined below:
