CIRCULAR FOR CLASSES IX TO XI

TIS/ VV/ 2026-27/041

July 2026

Dear Parents

The **PSAT/NMSQT (Preliminary SAT/National Merit Scholarship Qualifying Test)** provides students with an excellent opportunity to experience an internationally recognised standardised assessment and prepare confidently for future academic pathways.

The test offers the following benefits:

1. It provides effective preparation for the SAT by familiarising students with its format, question types and testing environment.
2. It supports students preparing for undergraduate admissions and competitive examinations in the USA and certain private universities in India.
3. The detailed score report identifies each student's academic strengths and areas that require further improvement.
4. The assessment consists of multiple-choice questions covering **Mathematics and Evidence-Based Reading and Writing**.
5. The test duration will be approximately **2 hours and 45 minutes** and is scheduled to be conducted in **October 2026**.
6. Students can prepare through free resources provided by **Khan Academy**, in collaboration with the College Board, at: www.khanacademy.org/sat
7. A free sample PSAT paper is also available at: <https://collegereadiness.collegeboard.org/sat-suite-assessments/practice/practice-tests>

Participation in the PSAT will help students assess their current preparedness, identify areas for focused improvement and gain valuable experience before appearing for SAT.

Parents who wish their ward to participate are requested to submit the attached consent form, along with the test fee of ₹2,000/- in cash, to **Ms Shreya (9599322686)** by Monday, 10 August 2026.
