

TAGORE INTERNATIONAL SCHOOL
VASANT VIHAR, NEW DELHI-57

CIRCULAR FOR CLASSES IX TO XII

TIS/ VV/ 2026-27/057

August 2026

Dear Parents,

As students progress through Classes IX to XII, they are required to make important decisions regarding subject selection, higher education, and future careers. To support them during this crucial phase, the school is pleased to offer a Career Guidance Program comprising a Psychometric Assessment, a comprehensive assessment report, and a one-on-one career counselling session.

The psychometric assessment is designed to help students gain a deeper understanding of their interests, aptitudes, personality, and potential strengths. The insights from the assessment, combined with an individual counselling session, will assist students and parents in making informed academic and career decisions.

The program includes:

- An online Psychometric Assessment.
- A detailed personalised assessment report.
- A one-on-one career counselling session with a qualified career counselor.
- Guidance on suitable academic pathways and future career options based on the assessment results.

The fee for the complete program (assessment, report, and individual counselling session) is ₹1,000 per student.

Instructions for Participation:

1. To register and make the payment of ₹1,000, please use the link below:
<https://bit.ly/4zgWXbN>
2. The last date for registration and payment is Saturday, 05 September 2026.
3. The assessment link will be activated on Saturday, 12 September 2026. Once activated, students are requested to read all instructions carefully before attempting the assessment and complete it within the stipulated timeline.

We strongly encourage parents to take advantage of this opportunity. A scientifically validated assessment, combined with professional guidance, can provide valuable insights that support students in making confident and well-informed decisions about their academic and career journey.

We look forward to your continued support in helping every student discover their strengths and realise their potential.

Dr. Jyotika Jakhar
Principal
